

YOUR MEMBERSHIP SUPPORT IS VERY IMPORTANT !

Our new membership program is now taking the place of the Founding Sponsor program as the permanent basic means of funding operations.

Your joining at any level tells us that you want to help ensure the future of this long anticipated, non-profit arts facility in mid Cape Cod. Your joining tells us that you appreciate the years of hard work by local volunteers and the financial support of many. And, your membership indicates that you look forward to years of high quality performances, exhibitions and classes produced by the Center for the benefit of all: seniors, adults, teens and children.

Remember, the Cultural Center is open to all. One does not need a membership to take part in many events and activities. However, as a thank you for your continued financial support, the membership program at all levels contains many benefits, such as complimentary invitations to special receptions, that are included in the Associate (\$250) and above level. So, please join at the level you are comfortable with at this time. Your important membership support will be helping sustain an elegant and easy to access new resource for the arts and culture in mid-Cape Cod. Thank you!
