All the Arts for All of Us

AT THE CULTURAL CENTER OF CAPE COD

The Cultural Center is a perfect venue for small, one-of-a-kind weddings. We are handicapped accessible and centrally located, with plenty of parking.

All of the information below should prove useful as you consider your plans, but we are a unique facility with a creative staff happy to meet with you to see how the Cultural Center can best suit your needs.

SIZE

Depending on several factors, attendance should not exceed 100-120. A band with dance floor and/or buffet, for instance, will limit floor space and therefore the number of tables and chairs available to your guests. On the other hand, a “cocktail party” wedding that does not attempt to seat everyone can accommodate more guests. Twelve 60” rounds, eight per table, with full place settings, means 96 guests, an ideal number for the space. While the Great Hall serves as the centerpiece of the event, our ancillary galleries are available for bar, dessert room, gift room, children’s room, and other activities.

CATERERS

The Cultural Center has worked with several caterers to hold many successful weddings. All have found our warming kitchen sufficient to their needs. We can also supply power to a catering truck in which some of the food preparation takes place. Our kitchen has two ovens, a microwave, a refrigerator, an industrial dishwasher, and a coffee maker.

BAR SERVICE

Most wedding parties engage a caterer or professional bartending service to handle the bar. Since there are several ways to handle this aspect of your event and special considerations for each of them, arrangements should be discussed during the planning stage and detailed in your contract.
